A signature drink. A year of your brand.

An invitation to OpenAI to co-create a specialty drink at Katte.

katte × OpenAI

ONE DRINK / TWELVE MONTHS

₹15,00,000 Annual sponsorship

AI-generated concept. Proposed branding; subject to approval.

Meet people in the middle of an idea.

Katte is being shaped as a place for founders and builders to return, exchange ideas and spend time together.

INTENDED AUDIENCE

Founders · Operators · Builders

Why OpenAI

01 **Familiarity**

A recognisable drink creates another opportunity to encounter the brand.

02 **Useful discovery**

An optional prompt guide connects the coffee moment to a practical task.

03 **A next step**

An opt-in link lets an interested guest continue to an approved OpenAI destination.

Campaign objectives; audience size and outcomes are not claimed.

Contains milk. AI-generated product concept; not a finished recipe.

PROPOSED FOR OPENAI

Prompt & Pour

Jaggery iced filter coffee

A familiar Bengaluru coffee ritual, served cold with a mellow jaggery finish.

THE RECIPE DIRECTION

Filter coffee · milk · jaggery · ice

Developed through tasting with the sponsor. Final recipe, portion and retail price agreed before launch.

Here is how guests find it.

katte Coffee Tea **Specialty drinks** Food

SPECIALTY COLLABORATION

Prompt & Pour

Jaggery iced filter coffee

Filter coffee, milk and jaggery, poured over ice. Contains milk.

Proposed with OpenAI

₹190*

A clear place for your drink.

Name, flavour, brand and price together at the point of choice.

One specialty drink is sponsored. Other menu categories remain Katte’s.

Menu mockup. *Illustrative customer price, subject to recipe costing. No ordering or payment function.

A coffee. A useful prompt. A reason to try.

01
ORDER
A guest chooses Prompt & Pour.

→

02
EXPLORE
They scan a table card for a founder prompt.

→

03
TRY
They choose to continue to ChatGPT.

→

04
RETURN
The drink and useful experience build familiarity.

EXAMPLE PROMPT CARD

“Help me turn this business idea into five customer-interview questions. Ask me about my customer and assumptions first.”

Proposed activation. QR destination and content require agreement. Product usage is not inferred from a scan.

Your year with Katte.

ONE CO-CREATED SPECIALTY DRINK

01

Recipe & identity

Collaborative tasting, drink naming and approved presentation.

02

12-month placement

The signature drink listed throughout the agreed partnership term.

03

Serving materials

Agreed sleeves, coasters or table cards carrying the collaboration.

04

Launch tasting

A drink introduction with the serving allowance agreed in advance.

05

Optional digital link

A dedicated destination for a prompt guide, offer or brand story.

06

Reporting & reviews

Monthly activity reporting and a quarterly partnership review.

Proposed scope. Production quantities, availability and launch details are recorded in the final agreement.

From first taste to familiar order.

BEFORE LAUNCH

Make it yours

Agree the objective, taste the recipe and approve the drink identity.

LAUNCH

Introduce the signature

Release the drink, serving materials and agreed tasting activity.

MONTHLY

See what is happening

Review orders, availability and tracked digital engagement.

QUARTERLY

Keep it relevant

Review feedback and agree any recipe or content refresh.

The twelve-month term begins when the approved drink launches.

Know what people choose.

A shared scorecard keeps drink engagement and business outcomes distinct.

WHAT WE MEASURE	EXAMPLE SIGNALS	EVIDENCE SOURCE
Drink engagement	Paid units, tasting units and availability	Katte billing and service records
Digital interest	Campaign-page visits and outbound clicks	Agreed campaign tracking
Qualified interest	Voluntary enquiries or registrations	Opt-in form, if included
Product outcomes	Trials, usage or paid conversion	Sponsor-side attribution, if available

Orders are not unique people. Scans are not product usage. Reach, lead and sales targets must be agreed from a verified baseline.

One drink. Twelve months.

₹15,00,000

INR FIFTEEN LAKH / ANNUAL SPONSORSHIP

Includes the proposed annual package on page 6. Customers pay separately for the drink.

Tax treatment, payment milestones, production quantities and any extra activations will be specified in the final agreement.

One specialty drink at Katte, HSR Layout, Bengaluru.

Let’s make your signature.

A drink worth ordering. A collaboration worth coming back to.

katte × OpenAI

Agree the brief. Taste the concept. Set the date.

DISCUSSION PROPOSAL / OCTOBER 2026

OpenAI is a prospective sponsor. No partnership or endorsement is implied.

OpenAI marks belong to OpenAI. Brand reference: openai.com/brand. All mockups are illustrative.
